

- **People have been wondering when our organisations will resume. We'd love to have everything up and running again. However, given the current circumstances, Immanuel's Kirk Session agreed on Monday, 26 October that, regrettably, no organisation may meet for face-to-face activities before January 2021. We know this is very disappointing, but it seems the best thing to do for the time being. We hope and pray for better things in 2021.**
